

Climate Action Plan 2026

Setting: Jigsaw Pre School Sproughton

Pillar	2026 Goal/Action	Responsibility	Success Measure
Decarbonisation	Reduce single-use plastics (SUPs) by switching to large milk bottles and reusable containers.	Management	Zero individual milk cartons in the bin.
Biodiversity	Create a "Wild Area" or Bug Hotel to protect local flora and fauna.	Children & staff	Regular wildlife sightings recorded in a log.
Climate Education	Weave environmental topics into the EYFS through nature walks and "junk modelling" art.	All early years educators	Sustainability topics included in planning.
Resilience & Adaptation	Review the setting for extreme weather risks (e.g., shade for heatwaves)	Management	A completed "Climate Risk Assessment".

Key Implementation Steps for 2026

- **Energy & Water:** Ensure that taps are turned off and water play is recycled for plants. (where appropriate)
 - **The 3 Rs:** Introduce a clear recycling system for paper/card/food waste/general waste
 - **Community:** Encourage families to walk, cycle, or scoot to the setting.
 - **Circular Economy:** Launch a "Pre-loved" donation station for clothes to reduce new purchases.
-

Monitoring and Review

This plan will be displayed to inform and educate our families. It will be reviewed annually to assess our progress and adapt to new environmental challenges.
